**FAST YOUNG MAN GETS A FEW RAPS**

**Minister Talks on the Young Man Who Sparks Girl Behind Closed Doors.**

A special feature of the meeting at the Baptist tent at Montana and Florence streets will be a solo by Mrs. Courtney Camp, who will sing "His Eye Is On the Sparrow."

Mr. Head's sermon last night on the "Fast Young Man" was at once laughter and tear provoking. At one time the great audience was holding its sides only to reach for handkerchiefs with the next utterance.

Mr. Head took occasion to comment on the present day method of courting. Said he: "When a young fellow calls on his girl now, they close the door and the old man has to knock before he can get in because he might come in too soon. I knew of an instance where the mother did come in and found her daughter sitting on the fellow's lap. The young man got mad as fire and told the girl if her mother didn't knock on the door next time that he would not knock on her front door again. If I had been that mother I would have knocked on the fellow's cocoon with the poker."

At the close of the sermon, Mr. Jolly sang "Dropping Away" during which an invitation was given to accept Christ. There were four conversions.

Rev. Mr. Bulger, the noted evangelist, was present last night and took part in the service. Mr. Bulger is remembered as the man who was put in jail in Oklahoma City last year because he stirred up something in the city politics during his revival in that city.

Children admitted free at the Alrdome tonight if accompanied by a grown person. Big show and band concert by the Kid Band.

## ARTESIA ENLARGES ELECTRIC PLANT

**New Railroad Station to Be Built—Hope Peaches Finest in Country.**

Artesia, N. M., Sept. 6.—A 200 horse power engine is now being installed by the Artesia Electric Light & Power company, and when attached to the present 75 horse power engine, will give a total power four times as great as at present.

Farmers outside of the Artesian belt have experimented with the electric power from the old plant and say that a five horse power motor will pump more water than a 15 horse power gasoline engine and with less trouble and work.

The electric company is not taking any more contracts for power as it has at Artesia, for girls, has opened for the second annual term under the most auspicious circumstances.

**Methodist College Opens.**  
The magnificent new Western college at Artesia, for girls, has opened for the second annual term under the most auspicious circumstances.

**Irrigation Plans.**  
S. J. Reddill, of Chicago, is figuring on establishing a big pumping irrigation system near Artesia outside of the Artesian belt. He says he can irrigate land by the pumping plant he is figuring on installing at from \$2 to \$2.50 per acre. Another company has offered to put in a plant and irrigate land at half this cost or less than half at from 50 cents to \$1 per acre with each pump.

Rev. W. Rhodes, of Roswell, is in the Dayton community looking after the drilling of an artesian well on his land. The drill is now down over 600 feet and the first small flow has been struck.

School has opened at Dayton under the principalship of professor H. G. Howard.

Sterling Fisher, of Hope, and professor J. Leroy Lancaster, of the plains country, have been nominated by the Socialists of Eddy county as candidates to the constitutional convention.

The Democrats have out a ticket consisting of Dr. Sikes, of Artesia and Judge C. R. Brice, of Carls-

bad. The Republicans did not nominate a ticket.

A full force of men are at work rebuilding the burnt district at Hope. The new buildings are of cement and native stone.

## For Rent In New Herald Building

Janitor service is furnished together with all the incidental requirements that help to make an office building more comfortable than the ordinary office can be without these requisites.

**LOCATION**—located in the very heart of the business center where all street cars pass its doors, well advertised, large signs on all sides of the building, and immense electric signs on tower show day and night where The Herald Building can be found. This one feature is worth money to any business man, to be in a building that can be located without the assistance of a city directory and one or two policemen.

**REMEMBER**, while you know where your office is located, strangers and others must find it. Therefore it is good policy to be where you can be found when people want to do business with you. Now-a-days the average person will not hunt long, he will do business elsewhere.

# Fall & Winter Modes

## Announcement

The semi-annual Fashion Edition of The Herald will be published at an early date. Each spring and fall this edition carries to Herald readers complete information regarding all that is new in fashions for men and women.

This edition is compiled by the world's famous artists and fashion writers. It is the only edition of its kind compiled in the United States.

## An Exclusive Herald Feature

This Fashion Edition costs \$10,000.00 to compile. The Herald, being one of a chain of progressive newspapers throughout the United States, is enabled at a nominal cost to furnish the edition to its advertisers and readers. These editions in the past have been a forecast of the correct fashions for the season. The one for this fall is even better than any previously gotten out, judging from the advance proof sheets that have been received.

The Herald is now arranging to give the Fashion Edition an extra circulation of 4,000 copies, making a total circulation for the Fashion Edition of 15,000.
